

## Travel and Accommodation

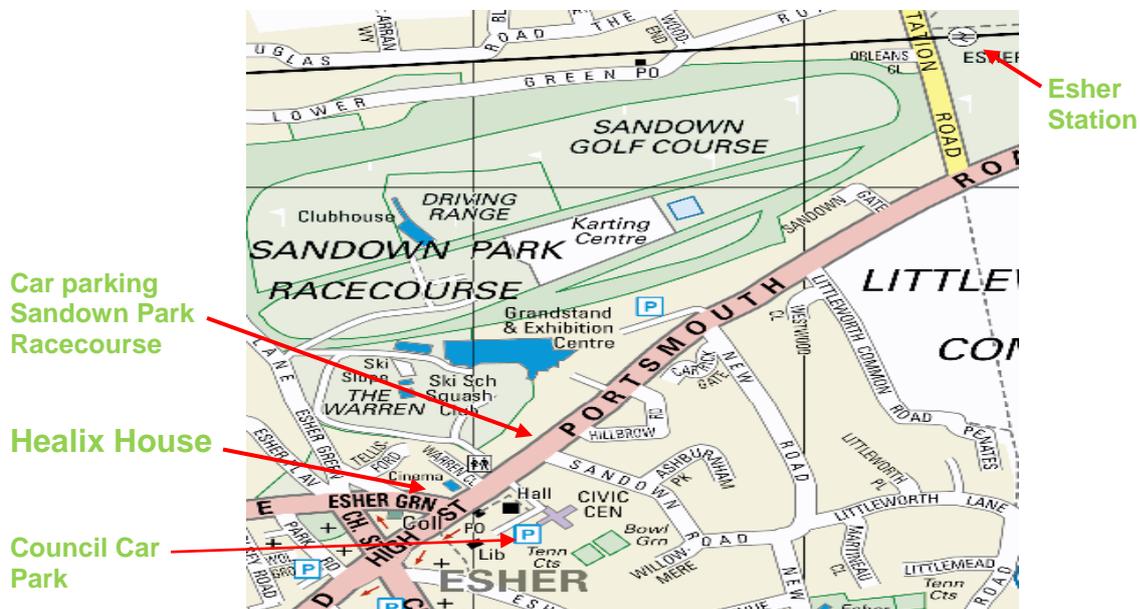

### Location

**Healix House** is located at **Esher Green, Esher, Surrey, KT10 8AB, United Kingdom**. Our offices are on the corner where Esher Green joins the High Street, next to Lloyds TSB Bank.

Esher is about 20 miles by car (1 hour) from Central London and 13 miles by car (35 minutes) from London Heathrow airport. However, traffic in this area can be heavy at certain times of day, so we recommend that you allow extra time for your journey to play safe.

The nearest motorway is the M25. From Junction 10 of the M25, take the A3 towards London and then the A244 towards Esher.

Directions to Healix House can be found by entering the postcode **KT10 8AB** on suitable websites such as Google Maps - <http://maps.google.co.uk/>

### Car Parking

There are a small number of car parking spaces for staff and visitors at Healix House, including a charging point for electric cars. If a car parking space has not been reserved for you and all spaces are already allocated, you can get a Visitors Car Park Pass from the receptionist. This will give you access to the Sandown Park Racecourse car park on Portsmouth Road which is just 5 minutes walk from the office.

Alternatively, if you park in the council car park, the pathway exiting at the far end of the car park will bring you out by Barclays Bank on the High Street, just opposite our offices.

## **Cycling**

We also have secure bike parking and lockers and shower facilities for cyclists.

## **Public Transport**

**Overland Train** - Esher Station is one mile from the office. (Approx. 15 – 20 minutes walk). Direct trains run twice an hour from Waterloo (via Clapham Junction) and take 28 minutes, stopping at Vauxhall, Clapham Junction, Earlsfield, Wimbledon, Surbiton and Esher.

The service is run by South West Trains. For journey planning, use the [South West Trains](#) or [National Rail Enquiries](#) websites. Both contain online timetables ("Planning your Journey" on NRE) and latest news on service alterations. Waterloo Station can be reached by London Underground using the Jubilee, Bakerloo or Northern Line (Charing Cross branch) - respectively coloured grey, brown or black on an Underground map. Maps of underground connections to London Waterloo are displayed at all London mainline stations, or can be downloaded from the [London Underground](#) website.

**Bus Services** – Healix House is on a variety of routes including the K3, 513, 558, 559 and 515.

## **From Heathrow Airport**

**Train:** Take the underground tube to Waterloo and then get an overland train to Esher.

**Taxi:** Journey time is about 35 minutes. Fares can vary depending upon the time of day and the amount of traffic so it is wise to get an estimate before you get into the taxi. Fares could range from £30 to £50.

## **From Gatwick Airport**

Take a train (not the Gatwick Express) to Clapham Junction where you can change to a train for Esher.
